Proper Care:

1. Keep product clean. A build up of dust could effect the accuracy of the thermometer and hygrometer.
2. Do not drop as it may damage the sensitive electronics.
3. For indoor use only. Keep away from water.
4. Replace batteries when the display begins to dim.
5. The touchscreen is designed to read a soft fingertip. **DO NOT** use a finger nail or other hard object as it may damage the screen.

Troubleshooting:

If the touchscreen buttons are not working properly, please try the following steps:

1. Clean the screen with rubbing alcohol and a soft cloth.
2. Remove the batteries to reboot hygrometer.
