

Hornady®

Accurate. Deadly. Dependable.

PREMIUM POWDER FUNNEL KIT

Item No. 586059

Pour the precise amount of powder for every load with the Hornady® Premium Powder Funnel Kit. Anti-static surface allows optimum powder flow. Individual bushings match various bullet diameters and fit over case mouth, creating an exact fit for the perfect amount of powder.

PREMIUM POWDER FUNNEL KIT

INSTRUCTIONS

Before beginning, check that all parts are included and of good quality.

USING THE FUNNEL

1. Determine the caliber and cartridge you will be reloading.
2. Determine the bullet diameter you will be using.
3. Find the bushing that matches your bullet diameter.
4. Thread the bushing onto the threaded portion of the funnel.
5. Place bushing over case mouth and pour one charge into the funnel.
6. Repeat step five for each case.
