HOW TO SET LOCK INSTRUCTIONS
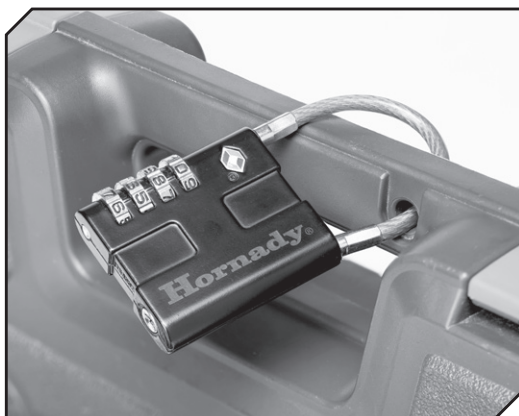

TSA SHACKLE®
PADLOCK

Item No. 96022

Protect belongings by using this all metal TSA-approved padlock that allows TSA screeners to inspect luggage without damaging the locks.

The pre-set combination is 0-0-0-0. To set your own combination, please follow these easy steps:

1. Turn the number dials to the preset code, 0-0-0-0.

2. Press and hold the button on the bottom of the lock with a pen or similar object.

3. While holding the button, set your own combination by turning the number dials.

4. Release the button to finish setting the new code.

To reset a new combination, repeat steps 1 through 4 above using the existing code.

*Please remember your new combination. New codes cannot be set without knowing the existing code.
