SECURITY *everywhere you want it.*TM

Wherever you are and whatever you value, SnapSafe® has a way to protect it. From our Super Titan Double Door modular safe to our lock boxes and safe accessories, SnapSafe® has the solution at home, at work and on the road.

Our modular safes make it simple to provide all the security of a welded safe in any room with none of the hassles. Our specialty safes keep valuables out of sight and under wraps, while our innovative accessories make the most of any space.

Security everywhere you want itTM — that's SnapSafe®!

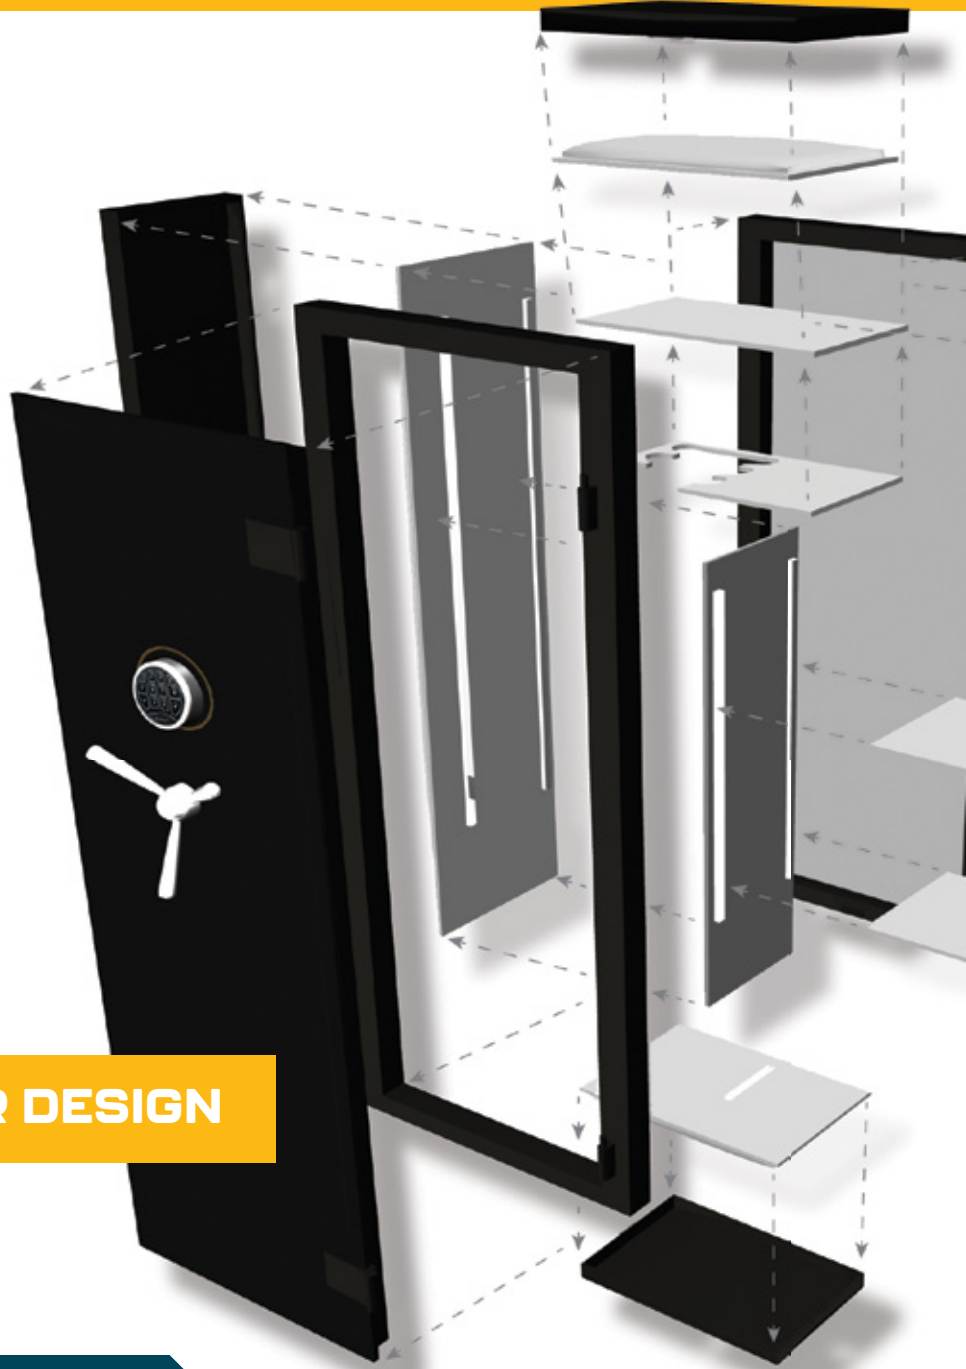

A high quality modular safe that offers the security of a welded safe.

Economical to ship. Easy to move and assemble.

SnapSafe® modular safes are as solid and impenetrable as conventional welded safes. Plus, their 2300° fire protection offers peace-of-mind knowing jewelry, currency, firearms and valuable documents are protected from fire and theft. Their modular design makes moving and assembly easy, eliminating the need for hired movers or installers. You can move the safe piece by piece to any room and assemble it yourself with the socket wrench that's included!

INNOVATIVE

MODULAR DESIGN

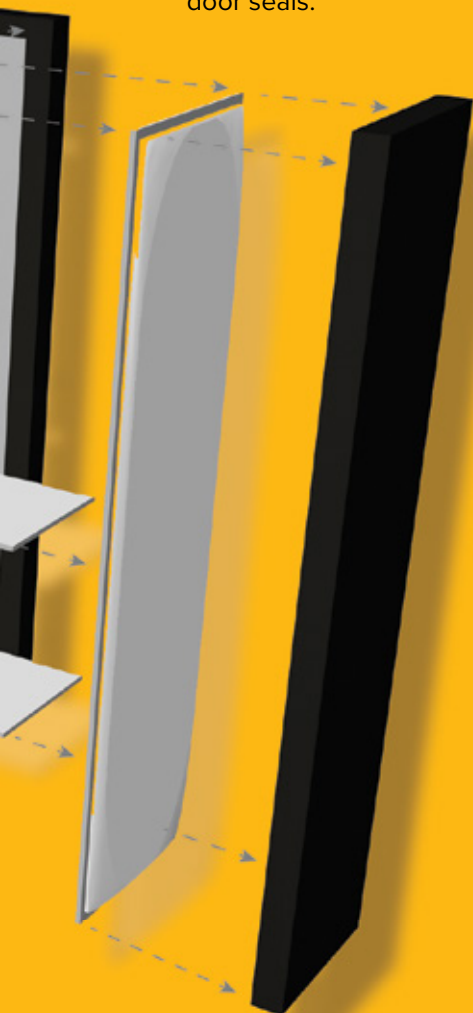

Assembly video on SnapSafe.com

Note: Product appearance may change due to manufacturing upgrades.

SnapSafe® modular safes offer all the security of conventional welded safes, but are easy to assemble and move anywhere piece by piece. The SnapSafe® modular assembly system locks the walls together from the inside and only requires a socket wrench for assembly.

- Modular Assembly System.
- Delivered right to your door.*
- Assembles in 30 to 60 minutes.
- Sledgehammer and pry-bar resistant 7 gauge solid steel door.
- Thick, 2-ply 9 gauge steel exterior walls.
- 2300°F one-hour Fire Shield protection and heat-activated door seals.
- Internal panels are made of magnesium oxide (MgO). They resist moisture, insects and mold, and are nearly impervious to fire.
- Comes standard with UL security listed digital lock with EMP-proof mechanical key backup.
- 1-inch steel live locking bolts.
- Powder coated finish.
- Lined interior with adjustable lined shelves.
- Includes one full shelf, one full gun rack, two half shelves and a divided shelf.
- Professional grade “non-breach seal” dead bolt door.
- Pre-drilled for floor mounting.
- Lifetime Warranty.

Modular system walls bolt together from the inside.
(Wrench Included)

Eight 1" live locking bolts provide professional grade protection.

MgO interior panels and 2300° F ceramic insulation provide exceptional fire protection.

Your SnapSafe® components are delivered in discrete packaging to your door.

*Some exclusions apply.

Digital Lock: UL listed digital lock with
EMP-proof mechanical key backup

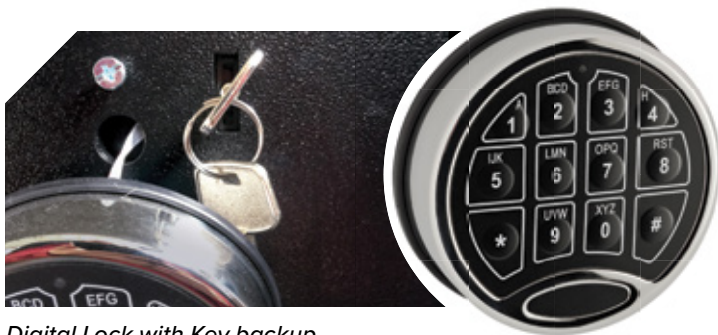

No. 75013

Digital locks offer ease and dependability.

SnapSafe® modular safes feature a UL listed digital lock for security and ease of use with a mechanical key backup for use in case of an electromagnetic pulse. EMPs, which can be natural or manmade, can disrupt electronics. The mechanical key will continue to function in such an emergency, allowing access to guns and valuables inside your safe.

Manage your personal security code for 100% privacy.

Digital Lock with Key backup

Your SnapSafe® modular safe comes with a handy tool kit containing everything you'll need to assemble and configure your safe.

The security of a welded safe with none of the hassles.

SAFE ACCESSORIES

RECHARGEABLE GUN SAFE DEHUMIDIFIERS

Absorb humidity and prevent rust or mildew in gun safes, closets, pantries and other enclosed areas. Moisture-control crystals change from orange to green, indicating when the unit needs recharging. Dry out and recharge the crystals by plugging into 110V electrical outlet until crystals turn orange again.

Medium (6.625" x 4" x 1.25") . . . **No. 75900**
Effective in spaces up to 333 cubic feet

Large (7.5" x 5" x 1.75"). . . . **No. 75901**
Effective in spaces up to 500 cubic feet

HYGROMETER

Ensure the best environment for guns, accessories and other valuables with the SnapSafe® Hygrometer. Placed inside a safe or vault room, the hygrometer displays the current temperature and humidity level, as well as recent extremes in either Fahrenheit or Celsius. Large LCD display shows icons indicating air conditions and fold-out stand allows convenient storage. Unit is powered by two AAA batteries (not included).

No. 75909

CANISTER DEHUMIDIFIER

Protect firearms and other valuables against rust and corrosion by utilizing the SnapSafe® Canister Dehumidifier. Desiccant pellets turn pink when the canister needs recharging. Simply heat in an oven to recharge the unit. Unlimited recharges ensure a lifetime of use.

5-inch diameter cylinder.
No. 75902

GUN SAFE DEHUMIDIFIER RODS

Eliminate moisture and prevent rust and corrosion with electric dehumidifier rods available in three sizes. Ideal for gun safes, closets and small enclosures, the rods come with snap-on feet that also allow wall mounting.

12-inch. **No. 75903**
(7 watts, 100 cubic feet coverage)

18-inch **No. 75904**
(10 watts, 200 cubic feet coverage)

SAFE ACCESSORIES

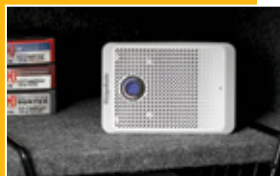

SAFE ACCESSORY PACK

Get the most out of your safe by maximizing space and increasing functionality. The Safe Accessory Pack includes all our most popular accessories in one package. Magnetic hook, document basket and document bag keep your valuables safe and organized while the dehumidifier, LED light strip and hygrometer ensure a climate-controlled environment.

Package includes:

- Rechargeable Dehumidifier
- Fire Resistant Document Bag
- Magnetic Safe Hook
- Document Basket
- LED Light Strip
- Hygrometer

No. 75850

Rechargeable Dehumidifier

Fire Resistant Document Bag

Magnetic Safe Hook

LED Light Strip

Document Basket

Hygrometer

HANGING SHELF BASKETS

Ideal for gun safes, closets, and shelving, these coated wire baskets maximize storage for ammo and accessories. Simply slide onto ½" - 1" thick shelf. Holds up to 40 pounds.

Large Basket*

11.75"W x 7.5"H x 9"D

No. 76011

Document Basket*

12"W x 2.5"H x 9"D

No. 76012

***Note:** Do not exceed the 40 pound maximum capacity.

***IMPORTANT:** Follow local, state and federal laws for firearm storage and transport. Firearm and firearm accessories shown are not included.

MAGNETIC SAFE HOOK

This little two-prong hook does big work, holding gun cases, binoculars, range bags and other accessories. Heavy-duty magnets can securely store over 15 pounds of gear. Position it on the corner of any gun safe and reposition as needed.

No. 75911

LED LIGHT

Ideal for gun safes, closets, cabinets, drawers and corridors, this light bar features long-lasting LED lights. With ON/OFF/AUTO modes, the light bar can be set to illuminate when motion is detected. Easy to install, these lights require AAA batteries (not included).

13" 20 LED/White (70 lumens)

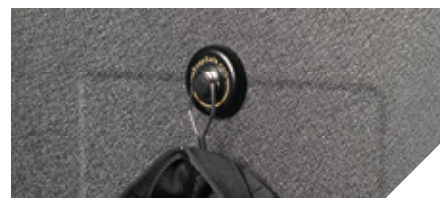

No. 76001

MAGNETIC GUN MOUNT

Powerful rare earth magnets rated for 43 pounds. Rubber coating protects firearm and accessories. Compact design and included mounting screws allow installation nearly everywhere.

No. 75912

MAGNETIC SWIVEL HOOKS

Powerful 1¼" diameter rare earth magnets allow hooks to be placed on any metal surface (i.e. cabinets, safes, shelving, appliances, etc.). Magnets rated for up to 65 pounds*

No. 75914 (2-Pack)

REUSABLE DEHUMIDIFIER BAG

Absorbs humidity from enclosed areas and helps prevent rust, mold, and mildew. Recharge in warm oven for infinite reuse.

No. 75908

*Maximum weight rating is based on a ½" steel plate surface and a pulling force perpendicular to the surface. Magnetic strength depends on hook orientation, surface coatings, metal quality and thickness, and/or use of the included rubber pads.

SAFE ACCESSORIES

GUN RACKS

Store guns in your safe or anywhere with these handy gun racks made in four different widths. The rack helps maximize storage space while offering a secure and balanced rack designed for compact pistols, full size handguns, revolvers, and semi-autos. Its PVC coating prevents scratches or marring. Store guns right side up or upside down, depending on your preference.

4 Gun Pistol Rack . . . No. 75820

6 Gun Pistol Rack . . . No. 75830

8 Gun Pistol Rack . . . No. 75840

HEADREST GUN RACK

Coated wire hooks secure to each headrest (driver and passenger seats) and hang behind seat to hold a long gun. Works great to hold range bags, clothing, or grocery bags as well. Includes two hooks.

**2-Pack
No. 75881**

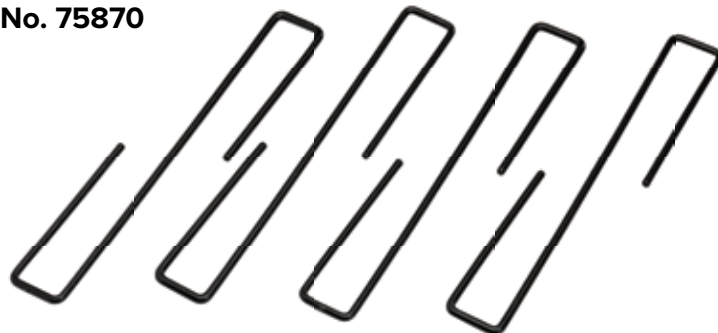

UNIVERSAL HANDGUN HANGERS

Maximize space by hanging handguns from shelves in your safe. Convenient and durable, the hangers are made with a PVC coating that prevents marring or scratching inside the barrel of your guns.

- Hardened steel wire supports heavy handguns (22 caliber and larger).
- PVC coating won't scratch or damage handgun finish.
- Maximizes storage in your gun safe or cabinet.
- Slide onto 1/2-inch to 1-inch thick shelf.

**4-Pack
No. 75870**

PADLOCKS

TSA PADLOCKS (2-PACK)

Protect belongings by using this all metal TSA-recognized padlock with 4-digit combination and heavy-duty, thick shackle. TSA-recognized* locks allow TSA screeners to inspect luggage without damaging the locks. Plus, they're 10 times harder to crack than 3-digit locks.

2-Pack
No. 76020

 **TSA-RECOGNIZED LOCK***

CABLE PADLOCKS (2-PACK)

Designed to fit most handguns, rifles and shotguns, these cable padlocks prevent firearm operation when properly secured through the receiver and/or magwell. Both solid steel locks are keyed alike and come with protective PVC cable covers. Padlock 2-Pack comes with four keys.

2-Pack
No. 75281

 **View product videos and get more information on [SnapSafe.com](https://www.snapsafe.com)**

***IMPORTANT:** Do not store loaded firearms in any safe or lock box. Follow local, state and federal laws for firearm storage and transport. Check TSA regulations and airline policies before traveling with any portable safe. Check dimensions of your firearm against safe's internal dimensions noted on bottom of box. Firearm and firearm accessories not included.

LOCK BOXES

Protect your handguns, passports, sensitive documents, heirlooms, media cards and other valuable items in a durable and portable SnapSafe® Lock Box. Available in three sizes with either a key lock or an owner-set combination entry. Approved as a firearms safety device by the California Department of Justice and meets TSA airline firearm guidelines*, SnapSafe® Lock Boxes feature heavy duty 16 gauge housing and include a 1500 pound rated security cable for securing to immobile objects.

LOCK BOX WITH KEY LOCK

Available in the popular FDE color, these lock boxes feature heavy duty 16 gauge housing and include a 1500 pound rated security cable for securing to stationery objects. Each lock box comes with two keys.

SnapSafe®
A Hornady® Company

Security everywhere you want it™

3625 Old Potash Hwy
Grand Island, NE 68803

A high-quality modular safe that offers the **security** of a welded safe.

3 REASONS TO CHOOSE A MODULAR SAFE

#1 Easy to move and assemble

SnapSafe safes allow you to take them piece by piece anywhere you want them. The safe is delivered in pieces, allowing the recipient to simply unpack and assemble near the desired location.

#2 Versatile when moving

Whether it's moving SnapSafe to another room or across the country, the process is just as easy. Disassemble the safe from the inside and move it piece by piece to its next location.

#3 Secure, solid construction

Our modular safes feature 3/16-inch solid steel doors that are sledgehammer and pry-resistant, eight one-inch chrome steel live locking bolts and 9-gauge two-ply steel exterior walls.

Delivered right to **your door**.

Unlike some safes that are dropped off at the curb, your SnapSafe will be delivered to your front door or garage door. Simply unpack the carton piece by piece and assemble the safe where you want it.
