

Hornady®

LOCK-N-LOAD® DELUXE DIE WRENCH

- 3/4" wrench for die flats
- When placed in one of the shell plate's cartridge case slots, this keeps the shell plate from slipping when tightening the center screw.
- 1/2" flats for spindle lock
- 1-1/8" flats for split lock rings

CA WARNING: Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov
